What is PSYCHO THRILL?

PSYCHO THRILL is a series of horror novellas — from the classic ghost story to the modern psychological thriller and dark fantasy. Each of the novellas has been first published in German and has been translated into English for the first time. Among the writers are popular German authors, as well as newcomers to the scene. Each story is self-contained. PSYCHO THRILL is produced by Uwe Voehl.

The Author

Michael Marcus Thurner, born in 1963, lives and works as a freelance writer in Vienna. He tried his hand at dozens of other professions but — in his own words — failed miserably at all of them. Among other accomplishments, he is a regular contributor to the PERRY RHODAN science-fiction series. Heyne Publishing has published two of his stand-alone sci-fi novels, *Turils Reise* (Turil's Journey) and *Plasmawelt* (*Plasmaworld*). In November 2013, Blanvalet Publishing released his first fantasy novel, titled *Der Gottbettler* (*The Beggar God*).
